Fundraising – Jeni runs Vegetarian Cooking Classes for us

In October one of our Trustees, Jeni, organised vegetarian cooking classes at her home on three consecutive Wednesdays. Participants assisted with food preparation then sat down together to enjoy the feasts. Everyone learnt a lot and had a good time. Our grateful thanks to Jeni who raised \$1760 for AKT.

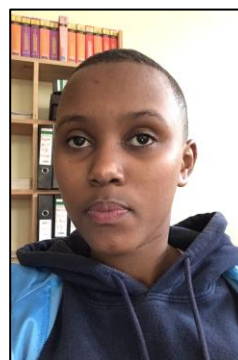

Arusha Kids Trust Education Appeal Thank you to everyone who donated to our recent appeal. We raised \$6900 to support seven children. Five of them are in the final year of primary school. The other two will finish secondary school at the end of 2023 thanks to your generosity.

Mukutwarine transitions to Secondary School

Mukutwarine achieved a grade B in the national end of Primary PSLE exams in November 2022. He was accepted to study at Unambwe Secondary School. He will be there for four years. This young man is a good sportsman and we are sure he will be representing his new school before long.

Edwin chooses electronics over teaching

Since our last Newsletter Edwin passed the end of Secondary School CSEE exams. He was offered a place in a Government Teacher's College. After much deliberation he decided not to accept the place. He has followed his heart and is now studying electronics at a VETA (Vocational Education and Training Association) College in Moshi, supported by Arusha Kids Trust.

A plan for Raymond

Raymond is the young man who so desperately wanted to pass the CSEE exams that he went to pieces and failed all of them. He has had a period of working on a building site in rural Tanzania and is now back in Arusha. AKT is supporting him to get a driving licence. He has already passed the road rules exam. Raymond is hoping to find work as a driver.

Trustees Kathy and Suzi will head to Tanzania in early August

This will be Kathy's ninth visit and Suzi's first. Suzi has a background in education. She is very excited about getting to meet everyone and visit the schools. Trustees travel at their own expense.
